INTRODUCTION

Scope of application

These fees apply to all Vall Banc customers, whether they be private individuals, companies or institutions although they will be subsidiary to any fees that might be established in the particular conditions.

General rules

The fees included in this document will come into effect on the day of its publication. These fees may be modified at any moment, by publishing the corresponding information on the entity's website.

If clients have any doubts, they can always request information to their manager or through the communication channels of the entity.

Expenses and taxes

Customer will have to pay for any expenses that may arise from the collection of the commissions envisaged in the fees, as well as any expenses of third parties (for the interventions of Public Notaries, deeds and correspondents).

The fees in this document do not include indirect taxes and the customer will be responsible for paying these. Any present and future taxes that may arise from the collection of the fees will be borne by each holder.
